**Violation of Additional Condition**

The defendant shall neither possess nor have under his control any pornographic matter or any matter that sexually depicts minors under the age of 18, including, but not limited to, matter obtained through access to any computer and any matter linked to computer access or use.

**Nature of Noncompliance**

Mr. Bell violated these conditions of supervised release when he viewed sexually explicit material. On June 25, 2019, Mr. Bell verbally admitted to Senior U.S. Probation Officer Sara Johnson (Sr. USPO Johnson) to viewing sexually explicit material via a smart television in his bedroom by searching YouTube and Netflix for movies containing nudity, specifically videos of children between the ages of 5 or 6 to 17, receiving massages, as well as individuals stripping and dancing. Mr. Bell admitted to viewing such videos from December 2017 until approximately November 2018. Mr. Bell further admitted to violating these conditions of supervised release by viewing sexually explicit material via an unauthorized smart phone at work, in or about the months of July 2018 until December 2018. He reported watching adult videos through the website 'Pornhub' approximately 3 or 4 times while employed at U-Haul.

Mr. Bell further violated these conditions of supervised release when he submitted sex offender supplemental report forms for the months of December 2017 through May 2019, and was untruthful when answering the question, "Have you viewed any pornography?"

On June 24, 2019, Sr. USPO Johnson attended a treatment staffing at Psychotherapy Services and Yokefellows (PSY) for purposes of discussing Mr. Bell's progress in treatment. Sr. USPO Johnson inquired about Mr. Bell's polygraphs and noted none had been received since he began treatment in January 2018. Sr. USPO Johnson was informed this would be looked in to. Due to this discovery, Sr. USPO Johnson contacted Mr. Bell and instructed him to report to the U.S. Probation Office, Arlington, Texas, to discuss the matter.

The following day, Mr. Bell, along with his father, Steven Bell, met with Sr. USPO Johnson. During the meeting, Mr. Bell admitted he had not submitted to polygraph testing since beginning treatment. He further admitted to the above-mentioned violations. Mr. Bell's father reported removing the smart television from Mr. Bell's room and stated he no longer had access to it or any other unmonitored electronic device. Mr. Bell does have a laptop that is monitored through RemoteCom; however, he was instructed by Sr. USPO Johnson that he is only allowed to have access to the laptop in the living room of his residence and while his parents are present.

On July 2, 2019, Sr. USPO Johnson met with Mr. Bell and his counselor at PSY to discuss the violations. Mr. Bell admitted to the violation behavior and was scheduled to take a polygraph on July 3, 2019, at Wood & Associates. He was also instructed to begin submitting weekly impulse reports to his counselor. Mr. Bell committed to taking sex offender group and homework seriously and attending all scheduled group and individual sessions. Mr. Bell submitted to his scheduled polygraph and it was determined he was being truthful when answering the relevant questions.

The U.S. Probation Office is respectfully requesting no Court action be taken at this time. Mr. Bell's violations and high-risk behaviors are being addressed with his treatment provider and he will continue with polygraph examinations. The U.S. Probation Office will continue to monitor Mr. Bell and report any future violation conduct to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
